## Class Guidelines

### ELEMENTARY

Basic steps and formations. At least 6 months dancing experience.

### INTERMEDIATE

Dancers should be thoroughly conversant with allemande, poussette, set and turn corners, reels, double triangles, rights and lefts, and other common formations.

### SOCIAL

For dancers with some dancing experience, who do not wish to concentrate on technique, but enjoy interesting dancing.

### ADVANCED TECHNIQUE

Dancers will have attained a high standard of performance in all steps and formations and should expect to work on all aspects of technique and the lesser known formations to achieve a very high standard.
This is a physically demanding class and therefore participants should have a good level of fitness.

### ADVANCED - LOW IMPACT

This class is for dancers with knowledge and experience to a very advanced level, but who do not desire sustained, high level activity.
